## DEDICATION

The man to whom we dedicate this yearbook has been greatly respected as an independent thinker. He has gained the respect of many during his years at Del Mar. In his treatment of politics, he has shown students the importance of democracy and the part each must play in it. He has helped to facilitate communication between the students and the administration. For his help and his inspiration, we, the staff of *Laurel 1970*, dedicate this book to Mr. Don Rogers.

## SENIOR CLASS OFFICERS

### FALL

L-R: Janie Kelly, Secretary; Bob Fiock, Treasurer; Gary Gravett, Vice-President; Paul Ryan, President.

The Class of 1970 got it all together this year with its production of the play *You Can't Take It With You*. On March 8, 1970 "Crystal Blue" the Senior Ball was held at Marine World where the seniors enjoyed the music of George Perry and a boatripe around the

lagoon. An after-ball was held at the Franciscan in San Jose following the ball. Senior Sneak Day at Santa Cruz, Graduation on June 12, and Commencement at Frontier Village were the highlights of the end of the 1970 Senior year.

# JUNIOR CLASS OFFICERS

## FALL

Seated: C. Murray. Standing: C. Pettingill, B. Fontaine, P. Benevento.

This year's Junior class had an abundant amount of ambition always attributed to the '71 ability. In other words, the Junior class this year was one of the top classes. Starting with the annual magazine sale, the Juniors sold more magazines than ever before. This was achieved with a great deal of hard work and ingenuity and will be used to finance future Junior activities.

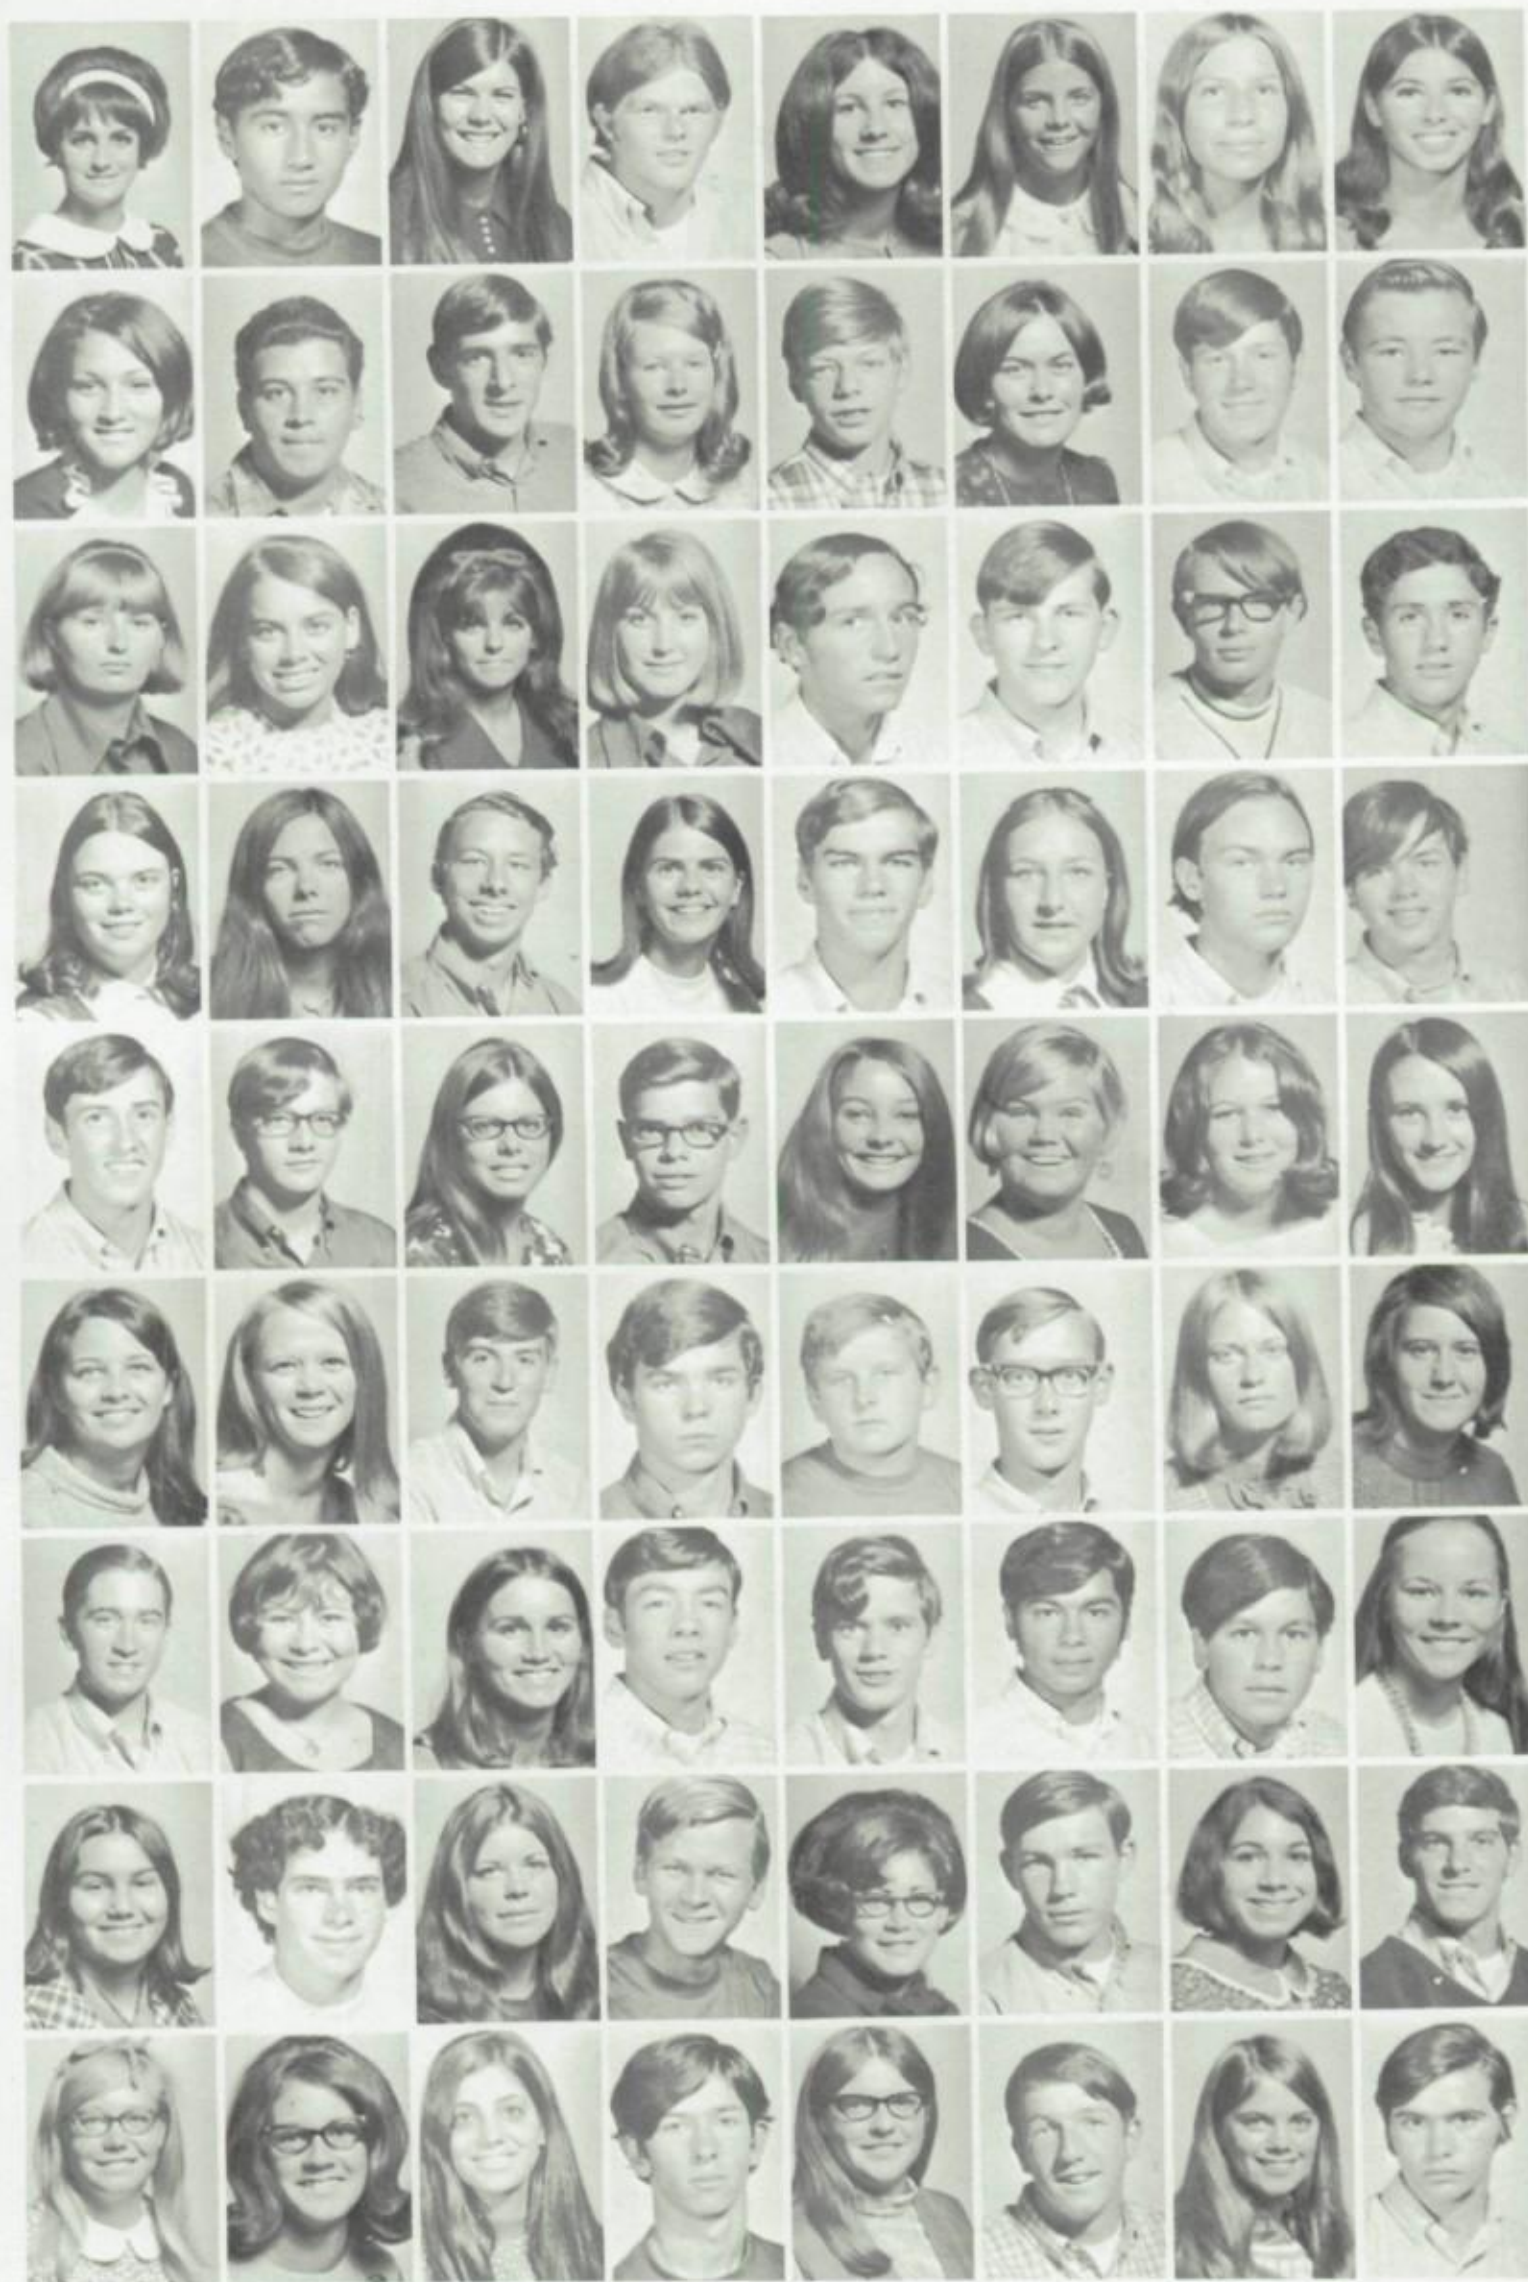

A social event that will long be remembered by the class of '71 was the Junior prom. Another activity that the Juniors excelled in was in student government. For the first time in Del Mar history, John Fischer, a junior, was elected spring Student Body President. Indeed, the Junior class has achieved much this year. In fact, one could say that this year's Junior class has made Del Mar history.

## SOPHOMORE CLASS OFFICERS

### FALL

L-R; C.Nozumi, S.Watson, D.Riley, A.Ichakawa

The Class of '72 went to all extremes to raise funds for their treasury, starting on Christmas Eve when they paraded around different neighborhoods dressed as Santa and his band of elves and sang Christmas carols. A paper-drive was another fund raising scheme. The Sophomores planned and designed

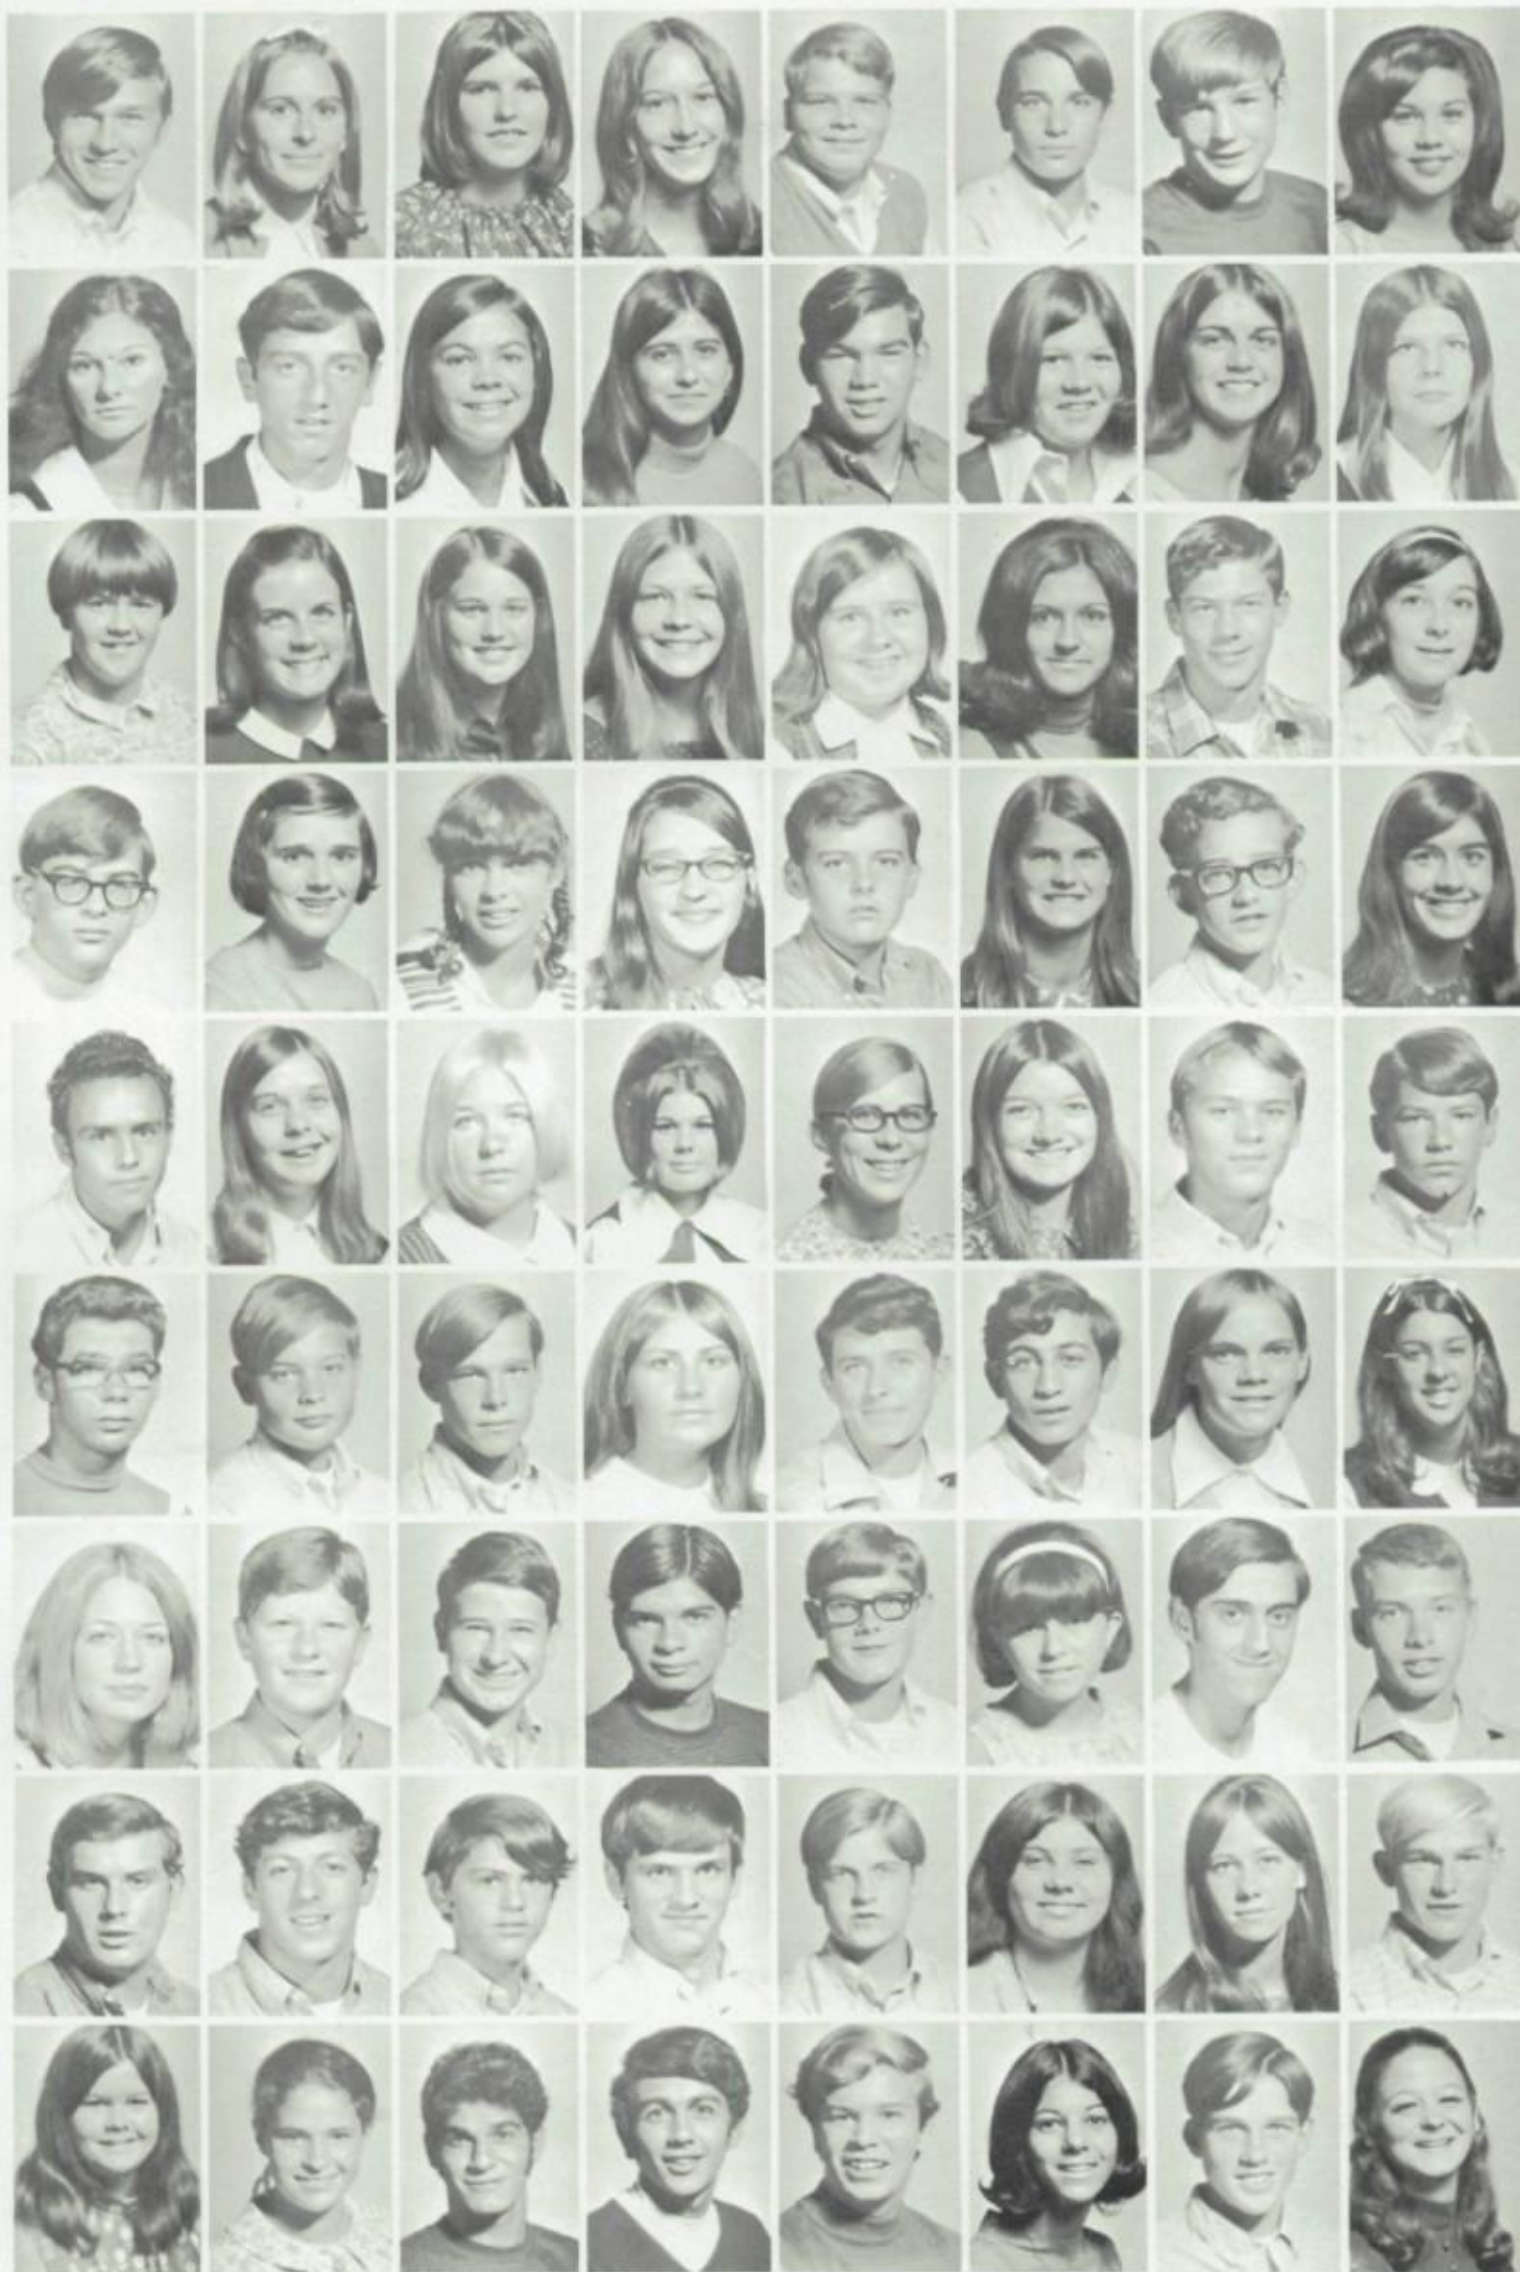

a sophomore class pin which, along with the class rings, went on sale in late February. Sophomores also presented the idea of abolishing the F grade in all studies. The year was climaxed by the Sophomore class party in May.

## FRESHMAN CLASS OFFICERS

### FALL

This year's Freshman class had a great deal of ingenuity and enthusiasm. They began their achievements in early December with a productive car wash. The earnings from the car wash, along with other money earned by the Freshman was put into the class treasury to finance the class of '73's activities.

Seated: J.Lamar. Standing: P.Demers, S.Mercurio, B. Chalmers.

### SPRING

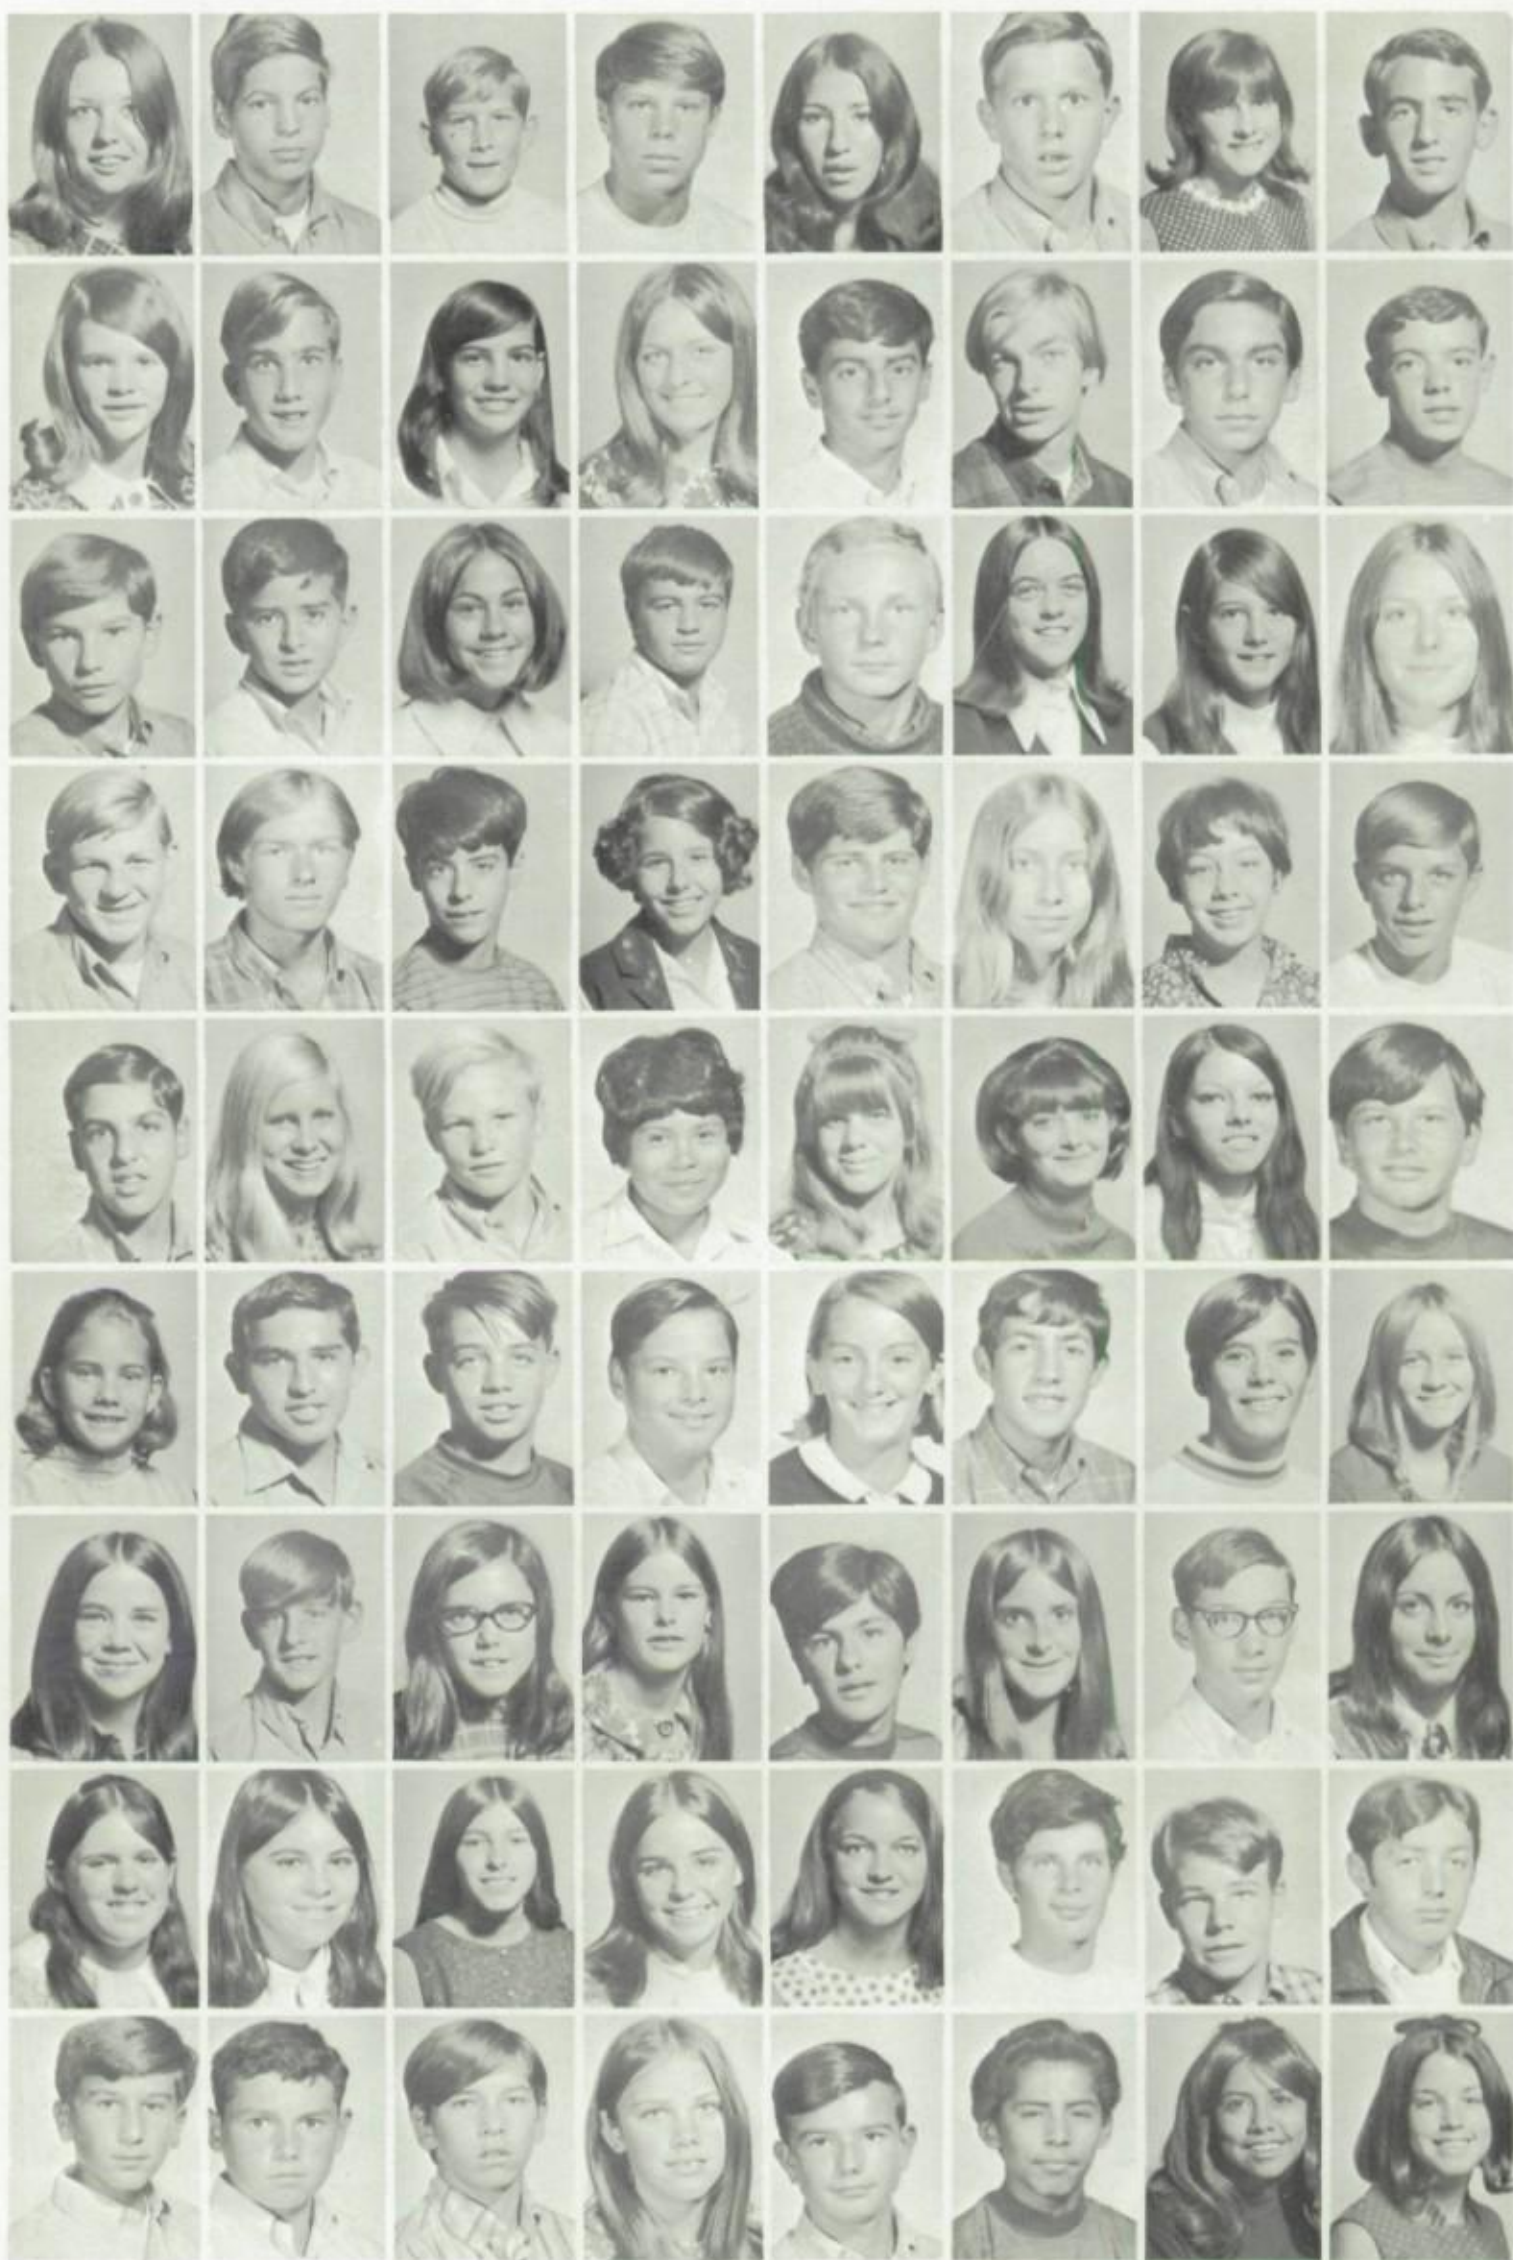

Many Freshmen act as guides for the 8th graders. There have been several very good Freshman athletes. The Freshmen also have had many social activities. Their Spring party on May 15 with swimming, dancing, and games were enjoyed by many Freshmen. This year's Freshman class was indeed a productive one.

## COACH'S MESSAGE

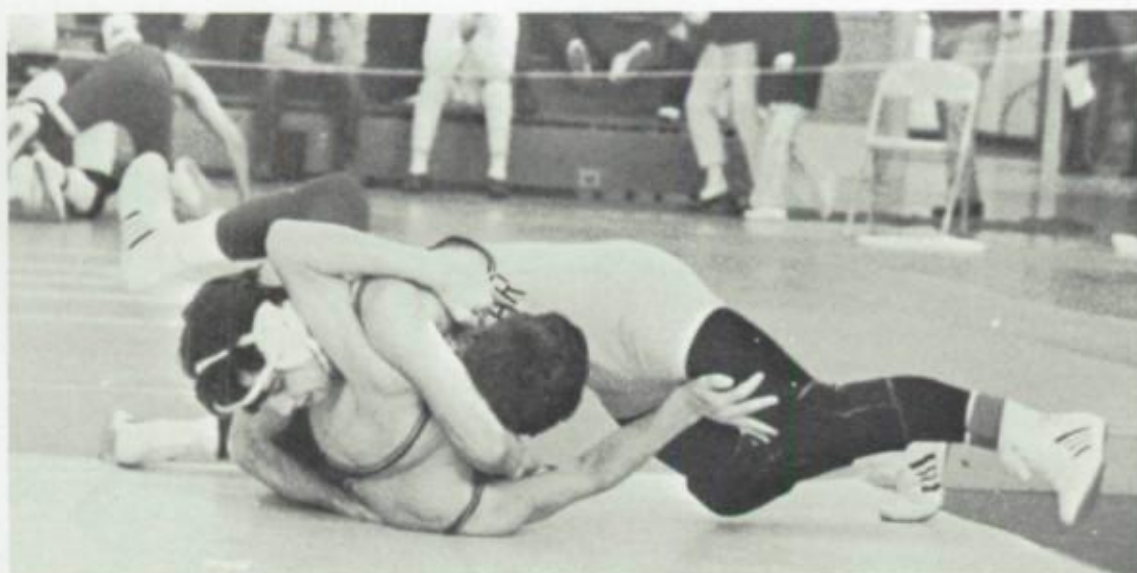

Winning the championship after such a dismal start was both surprising and extremely gratifying. Leading the surge forward was the league's most valuable player, Rich Hermle. Paul Arace's fine shooting and ballhandling earned him all league honors. Team capt. Ed Wehr, Jack Timmons, Russ Leblanc, Dave Todd, and Tim Toews each played an important role in bringing the Frosh-Soph basketball title to Del Mar.

## BOYS' STATE BRUCE POSEY

When I made my debut at Boys' State in Sacramento last summer, I enjoyed a pleasurable experience. Through my involvement in the Boys' State program, I received an idea of how our state government functions. In the Boys' State program I played a significant role of a respected Municipal Court Justice of the Peace.

More important than the educational aspects of this government game were the many friends that I became acquainted with. Some of the people there were really nice. I had many friends.

This wonderful experience is one which shall be remembered as one of the highlights of my four rewarding years at Del Mar. My exodus from Boys' State left in a state of lethargy. My blithe memories of the volatile Boys' State rendezvous made the whole trip an invaluable experience.

## GIRLS' STATE PAULA GREENE

Girls' State brings together five hundred girls, each from five hundred schools in California. We were divided into Cities, Counties, and parties before we arrived. We spent eight days investigating the working of our government by actually doing it ourselves. We started with city government, then county, and on to state government. We petitioned for offices, campaigned, had elections, made and passed legislature.

This was the most rewarding experience I have ever had. I met five hundred girls who were very outstanding, and beautiful people. In eight days I developed stronger friendships than I have in seventeen years. Government went from being something cold and boring in a history book to a reality we could touch, change, and love. I know all five hundred of us were excited to find that we would make great changes for our government instead of against it. Our government itself is beautiful. It is only when put in the wrong hands that it loses this beauty. Thank you for giving me this wonderful experience.

Now we are several weekends and several pages later. All that we can show for our work is a dummy of plans and hopes. I am not sure that you will even like this book. But I hope you will accept this book as my attempt to help you remember this school year.

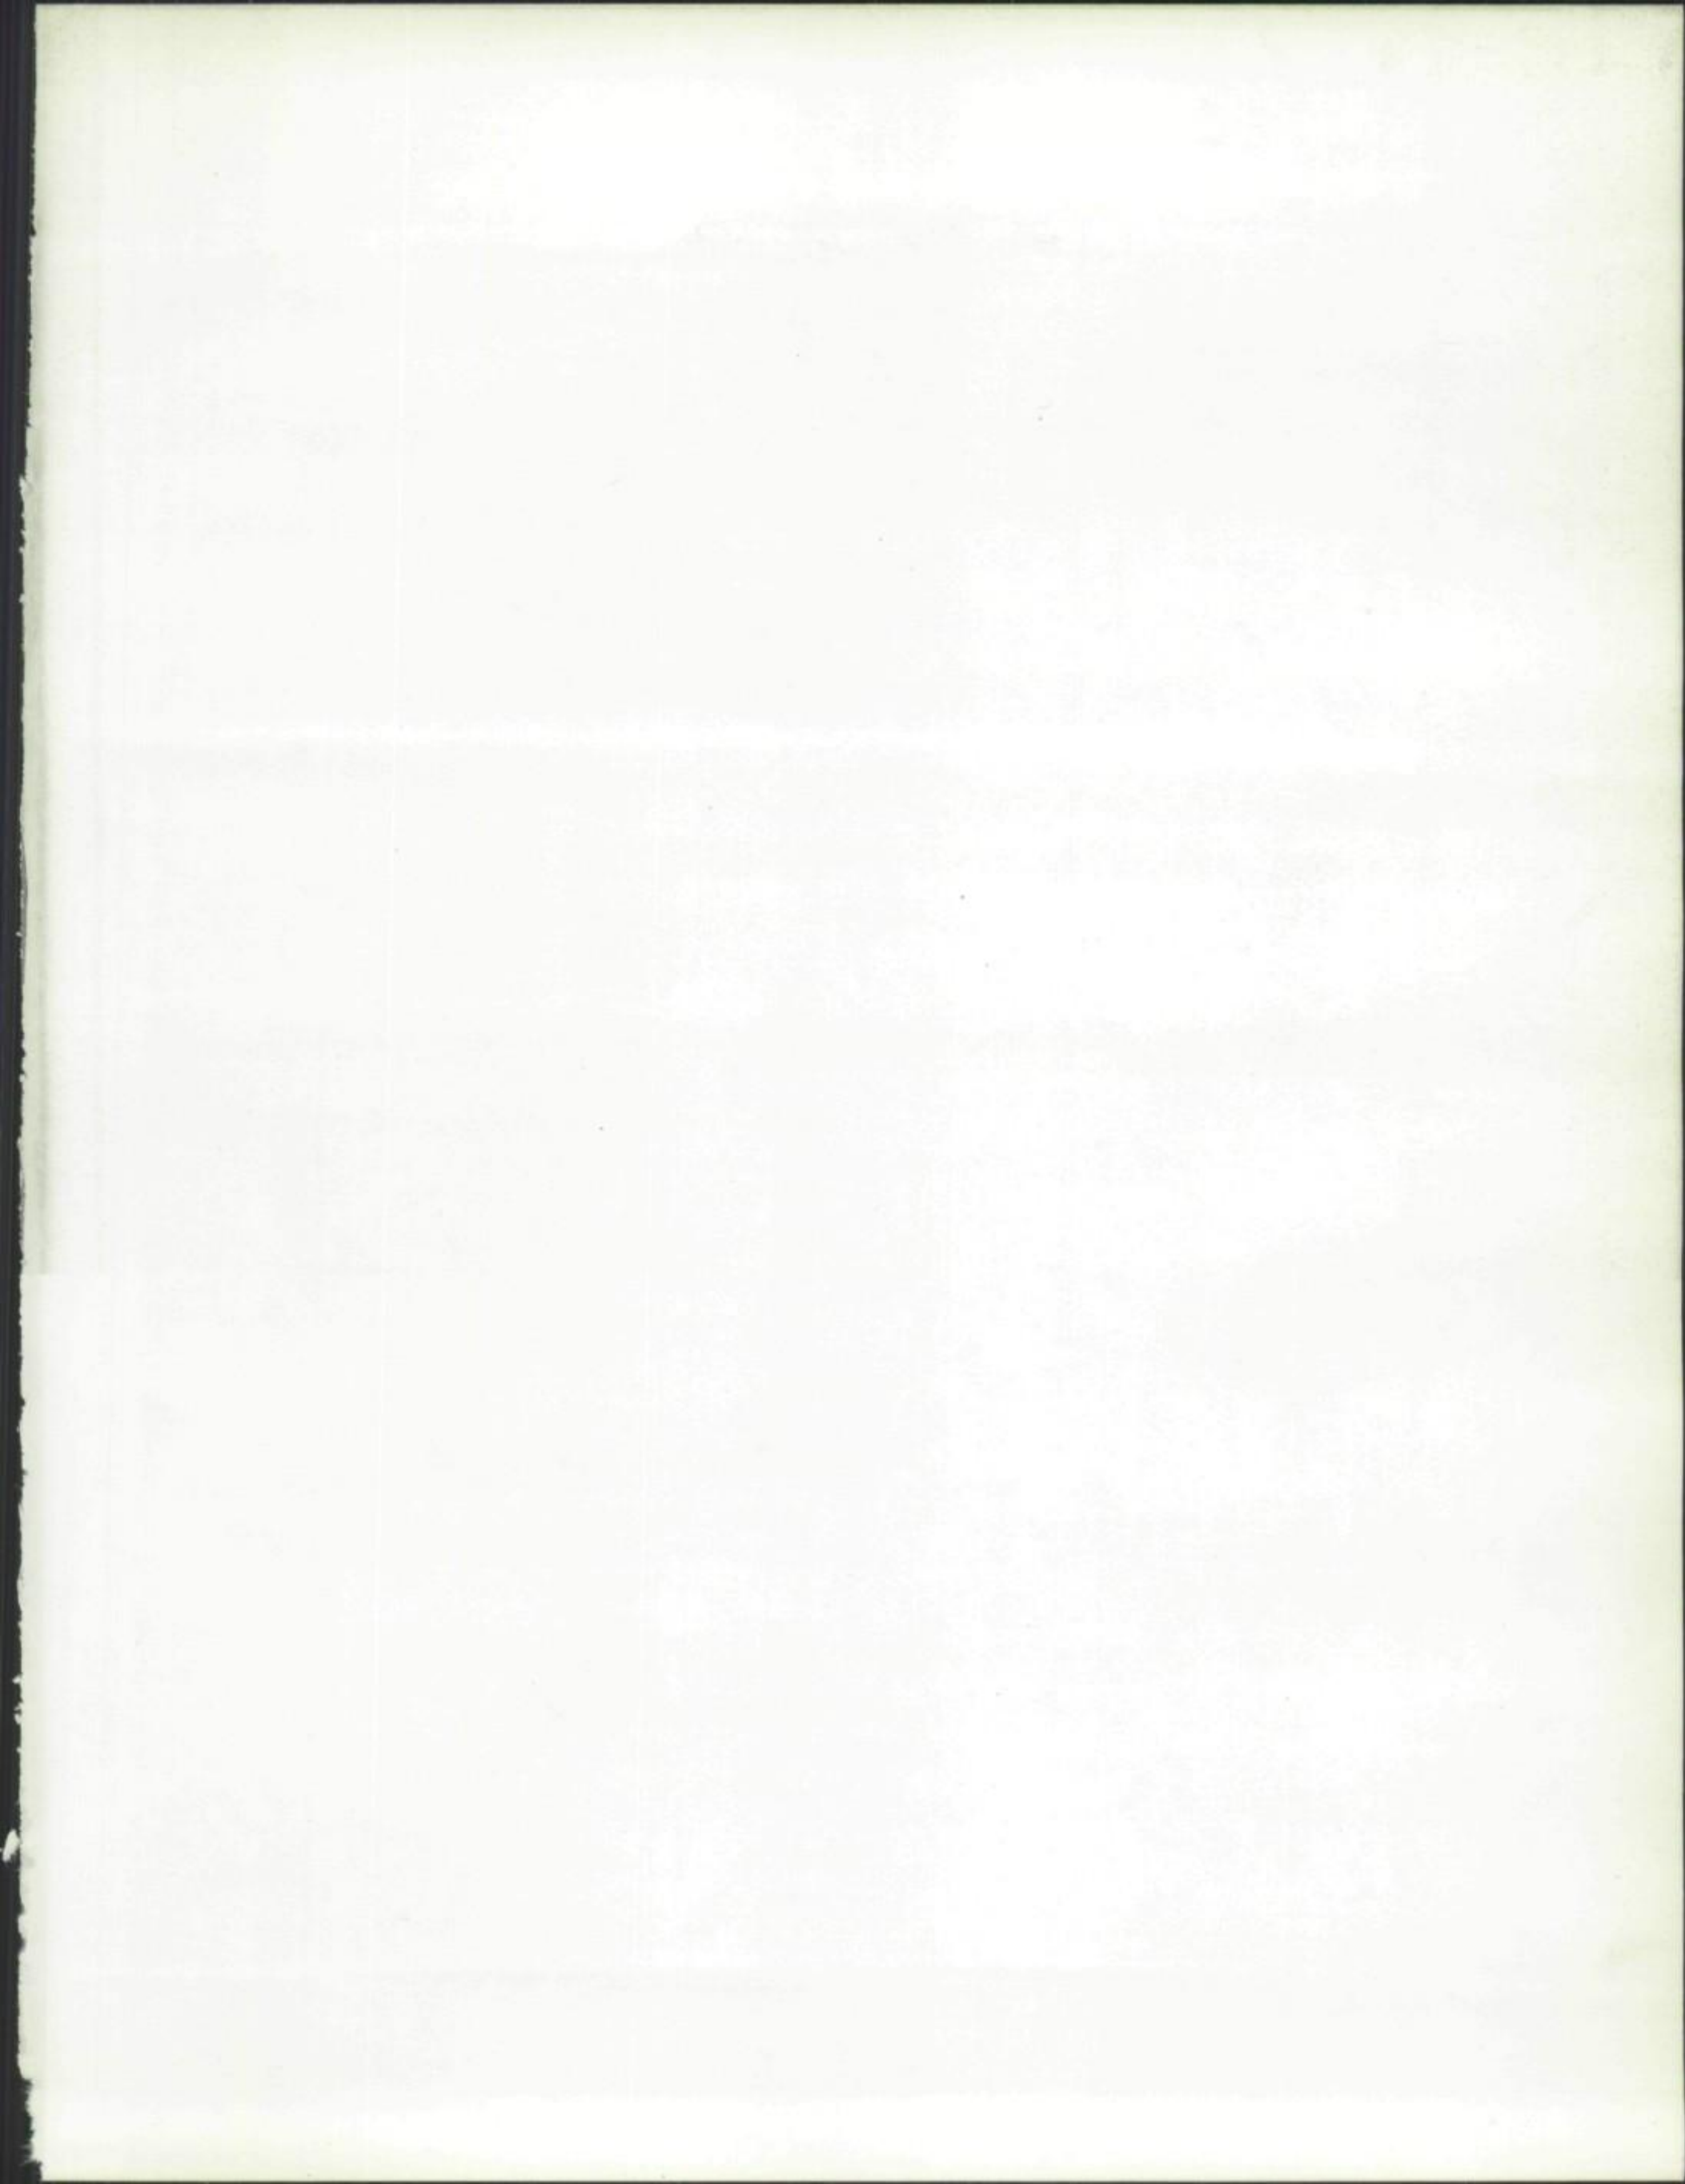

This page now belongs to you. Along with this page goes the heartache, frustration, tears, and joy that come with giving these pages life and meaning. There will be times when the whole world is set

against you, but remember the goal is worth the struggle, despite the obstacles. For all the excuses and complaints you will hear, these pages somehow make the excuses and complaints seem distant and unimportant.

The Laurel has been mine since the beginning of this school year, and now it belongs to you, the students of Del Mar.

I only hope you enjoy this book.
